

Technology Service Request

You can:

- Submit a service request for problems with technology
(Make sure your site is set to your school)
- View previously submitted requests

The screenshot shows the 'Add a New Service Request' form. On the left, a sidebar displays user information and navigation links. The 'Site' dropdown is set to 'HHS' and is circled in red. Below it are links for 'Add a Request' and 'View Requests', both of which have red circles on them. Further down are links for 'Printer Format', 'Help', and 'Logout'. At the bottom are fields for 'Goto ID:' and 'Search:'.
